Registration Announcement

Registration for the fourth European Suzuki Viola Gathering, **ESVG 2024** will open on **May 20, 2024**. **ESVG 2024** will be held at the conference centre **De Beukenhof** in the village of **Biezenmortel, The Netherlands**.

Class in Progress at ESGV 2022

ESVG 2024, like its predecessors in Watford (2017), El Escorial (2019) and Ostend (2022), will be a wonderful opportunity for Suzuki viola pupils, teachers, families and interested observers from across the ESA community to meet and to play music together.

ESVG 2024 will build upon the sense of community so evident at previous ESGV events. Once again Suzuki violists from across Europe and further afield will gather to learn and play together.

ESVG 2024 will be more informal than many other Suzuki workshops. We have planned the programme so that all family members will have the opportunity to participate. Registration fees will be kept as low as possible. Those who teach at ESGV 2024 will do so on a volunteer basis.

ESVG 2024 will include

- Opening play-in
- Traditional viola group classes
- Viola choir and viola ensemble
- 'Viola for violinist' classes for Suzuki violin pupils and teachers
- Opportunities for discussion and networking
- 'Viola for parents' class
- Parent/teacher round table
- Teacher discussion session
- Teacher ensemble – reading session
- Seminars
- Saturday evening recital or concert
- Final concert Sunday afternoon
