TEENAGER COURSE

Teenagers aged 14 to 18, registered as **élève instrumentiste “Camp ados” (les flocons verts)** can participate in the course without the presence of their parents. The minimum age required is 14 years old on the first day of the course.

They will be gathered in non-mixed rooms, and are placed under the responsibility of the course and the teacher responsible on site. As a swimming pool is freely accessible and unsupervised, teenagers must know how to swim.

The organization expects to welcome autonomous and reasonable students: they have to get up on time, and have to go to the different classes according to the schedule provided. They are expected at the restaurant and at the concerts. They need to take care of their own hygiene by themselves and to sleep at a normal time.

Teenagers are responsible for their equipment and their room.
